

Richard Ryder - Bio

Fast thinking and quick witted, Richard Ryder takes the stage with a refreshing energy and “no holds barred” attitude that audiences welcome again and again. No topic is too taboo for this Toronto native whose comedy is fresh, fast, funny and a constant source of embarrassment to his whole family ... which is exactly how it should be!

Heard daily in Toronto hosting Your Morning With Richard & Chris on 103.9 PROUD FM and seen weekly across Canada on This Week On OUTtv on ... OUTtv. Richard's eclectic humour has also been featured on NBC's Last Comic Standing, CBC Radio 1's Accent on Toronto as well as many TV and movie productions. In-between all of that, Richard can be seen live working the comedy circuit throughout Canada and the United States.
